8th Winchester Scouts patrol wins Emlyn County Camping Trophy...

... for the very first time in over 90 years!

- The Emlyn County Trophy is one of Hampshire County Scouts' oldest trophies dating from 1925
- It is annually competed for at Patrol level by Hampshire's 6,000 Scouts aged 10-14 from 27 Scout Districts
- To win the competition, Scouts need to display real GRIT - skill, drive, determination, coolness and staying power
- 8th Winchester Scouts also won the Physical Exercise Special Challenge Trophy, the overall Special Challenge Trophy, the Camp Cook Trophy, and came first in the overall Camping Competition
- Even more amazing, another patrol from the 5th Winchester (Compton & Shawford) Scouts was awarded 3rd overall position
- Congratulations to all the Scouts, Leaders and parents who have worked so hard to achieve this splendid outcome – a 1st and a 3rd for Winchester!
